Comment:

All people working in these movies are at least 18 years old and have given a written statement declaring that everything they do is voluntarily by their own interest and that they have not been persuaded or forced.

The actors who intentionally bear pain and wounds do this by their own wish, e. g. at running them over by car or stepping on them.

Material damages e. g. on the cars are accepted by the owners and born by them.

We fiery condemn any abuse of women or children!

We want to make live more interesting and manifold and give pleasure to people interested in all about shoes. We know that not all people appreciate our work, same as we do not appreciate everything other people do.

The preparation of the movies for shipment or download requires between one to two days depending on the size of order.
